Filename: GameChannel.exe

Name: WT Game Channel

Description: [WildTangent GameChannel](#) - notification of new games, quick access to games and fast and easy game downloads. Note that WildTangent's [privacy policy](#) used to state that they also collect and share individuals information but this is no longer the case

Recommendation: Not required - typically infrequently used tasks that can be started manually if necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
