

tasklist.org - A comprehensive list of processes running in your computer

Filename: HDAudPropShortcut.exe

Name: High Definition Audio Property Page Shortcut

Description: Realtek audio card related - probably adds the odd feature to one of the Sounds Control Panel applet tabs - doesn't appear to be required

Recommendation: Not required - typically infrequently used tasks that can be started manually if necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
