

[tasklist.org](http://tasklist.org) - A comprehensive list of processes running in your computer

Filename: ICO.EXE

Name: ICO

Description: Found on a Sony Vaio laptop and seems to be related to Mouse Suite 98 Daemon according to the properties. Appears to cause a behaviour where the desktop suddenly flips back up when playing DirectX associated games

Recommendation: Not required - typically infrequently used tasks that can be started manually if necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
