

tasklist.org - A comprehensive list of processes running in your computer

Filename: KaZooM.Exe

Name: KaZooM

Description: KaZoom from [Blue Haven Media](#) - add-on application that automatically speeds up the download process and finds the files you want with far more power than regular KaZaA searches

Recommendation: Not required - typically infrequently used tasks that can be started manually if necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
