

tasklist.org - A comprehensive list of processes running in your computer

Filename: LCFEP.EXE

Name: Tivoli

Description: Tivoli 'TME' System Tray icon - 'lcfep' is the program that displays statistics about the Endpoint. Apparently stopping/removing this process has no impact on the Endpoint itself which will continue to function normally

Recommendation: Not required - typically infrequently used tasks that can be started manually if necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
