

tasklist.org - A comprehensive list of processes running in your computer

Filename: P2P Networking2.exe

Name: P2P Networking2

Description: P2P Networking2.exe is an advertising program by Joltid. This process monitors your browsing habits and distributes the data back to the author's servers for analysis. This also prompts advertising popups. This program is a registered security risk and should be removed immediately

Recommendation: Definitely not required - typically viruses, spyware, adware and "resource hogs"

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
