

[tasklist.org](http://tasklist.org) - A comprehensive list of processes running in your computer

Filename: R3proxy.exe

Name: Fellowes Proxy

Description: Installed with Fellowes EasyPoint mouse software. Not necessary for normal functioning of Fellowes mice but it is necessary to use the extended features of all Fellowes mice

Recommendation: User's choice - depends whether a user deems it necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
