

[tasklist.org](http://tasklist.org) - A comprehensive list of processes running in your computer

Filename: WFXCTL32.EXE

Name: WinFax PRO Controller

Description: From WinFax 10.0 and possibly earlier versions. Appears if you chose to have WinFax appear in the taskbar (System Tray) during installation and displays a yellow fax/telephone icon. Available via Start -> Programs

Recommendation: Not required - typically infrequently used tasks that can be started manually if necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
