

tasklist.org - A comprehensive list of processes running in your computer

Filename: easyclip.exe

Name: Lotus Organizer EasyClip

Description: "The Easy Clip icon automates the collection of information from sources such as e-mail to create an Organizer address, appointment, task or Notepad page."

Available via Start -> Programs

Recommendation: Not required - typically infrequently used tasks that can be started manually if necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
