

tasklist.org - A comprehensive list of processes running in your computer

Filename: evntsvc.exe

Name: TkBellExe

Description: Application Scheduler installed along with [RealOne Player](#). Once installed, it runs independently of RealOne Player. Not required - see [here](#) for more information, including how to disable it. Note that evntsvc.exe no longer appears to be in a newer version

Recommendation: Not required - typically infrequently used tasks that can be started manually if necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
