

[tasklist.org](http://tasklist.org) - A comprehensive list of processes running in your computer

Filename: pinger.exe

Name: ToshibaPinger

Description: Pinger is the resident program for Toshiba Upgrades. Periodically checks to see if there are any software/driver upgrades for your particular computer model. If it finds any, it posts a notification. Disabling instructions [here](#)

Recommendation: Not required - typically infrequently used tasks that can be started manually if necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
