

tasklist.org - A comprehensive list of processes running in your computer

Filename: qbupdate.exe

Name: Quickbooks Update Agent

Description: Associated with Intuit's Quickbooks but not required. Possibly to do with the payroll update service but you're prompted to check for updates when appropriate whether this is running or not

Recommendation: Not required - typically infrequently used tasks that can be started manually if necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
