

tasklist.org - A comprehensive list of processes running in your computer

Filename: swtray.exe

Name: pictureBUZZTray

Description: System Tray access to PictureBUZZ on-line printing software from Streetwise Software. If you use the software set the page you use as a favourite in your browser and run it manually

Recommendation: Not required - typically infrequently used tasks that can be started manually if necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
