

tasklist.org - A comprehensive list of processes running in your computer

Filename: ucstart.exe

Name: UC_SMB

Description: Part of IBM Update connector on IBM PCs for updating drivers on a new installation. Once you manually run the IBM Update connector program (shortcut) this entry is removed

Recommendation: Not required - typically infrequently used tasks that can be started manually if necessary

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
