

tasklist.org - A comprehensive list of processes running in your computer

Filename: wininstall.exe

Virus Name: wininstall_f

Type: Downloader

Risk: Low

Description: Is a process belonging to an advertising program by spysheriff.com. This process monitors your browsing habits and distributes the data back to the author s servers for analysis. This also prompts advertising popups. This process is a security risk and should be removed from your system.

c:\wininstall.exe

Recommendation: Definitely not required - typically viruses, spyware, adware and "resource hogs"

We found that [Easy SpyRemover](#) is the most effective tool for removing this file.
